

## Harney Lane Grape to Glass Tour

Take a walk through the Harney Lane Family Legacy with our Grape to Glass Tour! We are a 5th generation farming family, living on the land since 1900 and producing 100% estate grown grapes using sustainable farming practices. Our Grape to Glass Tour provides a special opportunity to explore the grounds with a knowledgeable guide, sampling our diverse wine portfolio as we celebrate love, laughter, family and wine together. From the grape to the glass, we are thrilled to share our award winning wines with you!
