Harney Lane Vineyards Donation Guidelines

As a 6th generation family farm, Harney Lane Winery & Vineyards takes great pride in supporting the community that we live and work in. Over the years, we have developed strong and lasting relationships to the causes we are passionate about.

Although we welcome requests, the majority of our charitable donations are made in the form of direct financial contributions to local organizations. Our support goes primarily toward cancer research, and causes that impact our local communities, with preference given to registered 501(c)3 organizations.

If your organization is seeking a product donation, we encourage you to review these guidelines thoroughly, then complete our Donation Application on the following page.

We ask that donation requests be submitted at least one month prior to your charitable event or activity. If your request is approved, we will contact you to confirm. Please allow at least two additional weeks for processing. You will be notified when your donation is ready for pick up and will be provided with a description of item(s) and retail value.

Donations that are not picked up within 2 weeks after they are made available will be cancelled, as our storage space is limited.

Although we wish it were possible to honor all donation needs, we receive an overwhelming number of requests and priority is granted to local community organizations in the areas of focus listed above.

Donation applications may be submitted in person at the winery, by email to giving@harneylane.com or mailed to PO Box 156, Victor, CA 95253.

We sincerely appreciate your interest Harney Lane Winery and wish you the best in your fundraising efforts.
